10 _____)

11 In this stayed matter, the Court directed petitioner Charles Weber to file status reports
12 regarding his state-court proceeding every thirty (30) days. (Dkt. 39.) The Court finds that it
13 is unnecessary for petitioner to file status reports with such frequency. In his March 9, 2012
14 status report, petitioner noted that the Washington Supreme Court has accepted review of his
15 personal restraint petition and will be setting a date for oral argument. (Dkt. 63.) The Court
16 **MODIFIES** petitioner's reporting requirement: petitioner is directed to file a status report
17 every **ninety (90) days**. His next status report is due **June 11, 2012**.

18 DATED this 24th day of April, 2012.
